S I R :

Submitted herewith is a corrected Form PTO/SB/08A which
corrects a clerical error in the Form PTO/SB/08A filed
February 7, 2006.

In particular, the last-listed document in the IDS of
February 7, 2006 should be as follows:

2000-318159.

The corrected Form PTO/SB/08A corrects the identification of
Japanese 2000-318159.

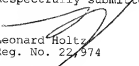

Also submitted herewith are copies of the translation of the
International Preliminary Report on Patentability (IPRP) and
Written Opinion, which was issued in an International Application
of which the present application is National Phase. The
International Search Report was submitted with the prior IDS

filed February 7, 2006. Said IPRP is identified on the enclosed form PTO/SB/08B.

The documents identified and discussed in the enclosed IPRP were submitted to the USPTO with the prior IDS filed February 7, 2006. The English language IPR constitutes an explanation of relevance of non-English documents identified therein (MPEP 609 III A(3)).

It is respectfully requested that the Examiner consider the present IDS and the prior IDS filed February 7, 2006, and that an initialed copy of the Forms PTO/SB/08A and PTO/SB/08B be returned to indicate that the documents listed therein have been considered and made of record.

Respectfully submitted,

Leonard Holtz
